

Dear Church,

This week's newsletter is short and sweet...

Many elves are safely and social distancing as they work in Santa's workshop wrapping presents to help make Christmas magic for our Toberman kids. Each family will receive a female present and a male present for members in their household.

The magic dust that is being sprinkled on each present is so beautiful to watch. Donna and Pam have worked tirelessly to put beautiful presents together. Wrappers: Belinda, Sandy, Barbara, Teddy, Joyce, and Vera have made each present look spectacular.

Many thanks to all who contributed gifts and money for this project. Delivery will take place next Saturday. More magically stories to share later.

Reverse Advent boxes – please drop them off to the church this week or let me know if you need a pickup.

“Lunches with Love” will be this Saturday, but not Saturday the 19<sup>th</sup>. Mt. Sinai will be passing out lunches from a donation they received.

Christmas Eve service will be on Facebook at 5:00 p.m.

Charge Conference went well on Wednesday night with our District Superintendent, Mark Nakagawa. Thank you to all who attended.

Be well, stay safe  
Avent blessings,  
Pastor Lisa
